Five Little Monkeys Jump In The Bath (A Five Little Monkeys Story)

Synopsis

When five little monkeys eat some ice cream and play in the mud, they become icky, sticky monkeys . . . and Mama says it's time for a bath! But even after those silly little monkeys scrub themselves clean, they find a way to get mucky all over again. Toddlers will giggle over the wild monkey antics, rhyming refrains, and expressive, up-close monkey art in this brand-new board book.

Customer Reviews

Gave it my grandson for Christmas. He loves it!! As a retired public school kindergarten teacher, I can attest to this type of story and the quality of this book. It arrived on time and in great condition. Buy from this seller with confidence.

My daughter is the hugest fan of Five Little Monkeys Jumping on the Bed, so we got a couple more in the series. It's just not the same without the singsongy rhyming. This book has a more traditional storytelling, and isn't rhythmic like the original (I assume the bed one is the original), so it isn't as beloved, nor as fun to read out loud. It's a cute little book, though.

My daughter loves this book. She asked for Santa to bring this to her for about two straight months. Arrived on time and in great condition.

my brother is two years old and love this book. it is a good book for young kids I GAVE this five stars because my brother really enjoyed it

My grandson has to have this read to him every time I see him. It just makes you smile! Now I want to buy the rest of the 5 monkey books!

Cute story, loved the repeated lines. Nice twist to the five monkeys jumping in the bed. You would be happy with this purchase.

this line of books is nothing special.....will stick to ordering Dr. Seuss / Berenstain Bears series. LOVE those. Read those to my children for years. Will be giving them to my grandkids.

My son discovered the Five Monkeys books and loves reading them. So we have also purchased Five Little Monkeys Bake A Cake and his favorite Five Little Monkeys with Nothing to Do.
