Synopsis

STAT: Standing Tall and Talented-- A slam-dunk new fiction series from NBA superstar Amar'e Stoudemire! After a few big wins, Amar'e starts getting attention from some of the older, more elite players in Lake Wales. They all want him to join their squads. Amar'e wants to elevate his game and the only way to do that is to move on but his friends feel like he's leaving them behind. My son loves this series. It's very hard to find something a 8 yr old boy is willing to read. He reads these books without me forcing him. Waiting for the 3rd one due out in Jan

My son and I have read every book in this series together. Promotes hard work, responsibility, sportsmanship and respect for others.

The perfect book for 3rd, 4th, and 5th grade readers. Reluctant readers like this story because they can relate to the characters that speak with clarity.
