Let's face it: Chances are good that somewhere in a shoebox in the crawlspace of your parents' place is a photo you wish no one would ever see. EVER. Be it your once high-style haircut, that "amazing" sweater, that time when the camera snapped at exactly the wrong time to capture your weirdest face ever...Well, you're in luck! One quick flip through AWKWARD FAMILY PHOTOS, and that picture is gonna look a whole lot better! This is a case when the title really says it all. The photos contained in this book are truly remarkable in that they put us all on hilarious (and cringe-inducing) display. Based on the popular website of the same name, AWKWARD FAMILY PHOTOS is an homage to the family album, the one you wished didn't exist. Organized by category (ie: The Family Portrait, Mom & Dad, Grandma & Grandpa, The Vacation, Weddings, The Family Pet, etc...), each photo has something to smirk at. See the family black sheep on proud display! Marvel at the horrific matching outfits! Be amazed by the person who really THOUGHT they were cool! Wonder at the oddly inappropriate expression! What father in their right mind would ever wear THAT?! Mullets,

mullets, and more mullets! View the pose that at one time SEEMED like a good idea! And the most frequent question of all: "WHAT THE HECK?!"The photos range from sublimely delightful to downright painful (in a snort-its-so-funny sort of way). You'll laugh. You'll want to share this with friends so you can suffer together. You'll probably see shadows of yourself in more places that you imagined. Well, at least you'll see your crazy Uncle Chuck.
