## Customer Reviews

My daughter loves peppa pig and has been collecting all of these books. Peppa plays soccer is another great book that she enjoyed.

My granddaughter loves all things Peppa Pig. I selected this book because she is also learning to play soccer. She just turned 3 and was very excited to get the book. It even has stickers in the back. If you are familiar with the television series, you'll note that the book follows closely to the program. That's a good thing since 3 year olds have great expectations.

Perfect for youngest grandson whose 2 older brothers that play soccer and love Peppa Pig!

My 3yr old grandson Noah loves anything & everything Peppa Pig! You'll love it too!

great books, my 3 year old daughter loves these, well made

Another cute Peppa Pig book!
