Language: English

ISBN-10: 0545925452

ISBN-13: 978-0545925457

Product Dimensions: 8.6 x 0.4 x 10.8 inches

Shipping Weight: 1.7 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (27 customer reviews)

Best Sellers Rank: #41,977 in Books (See Top 100 in Books) #123 in [Books > Children's Books > Animals > Pigs](#)

Age Range: 3 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

Great quality for the price. My daughter who is 2 loves it. I like the idea of magnets over stickers as the latter tear easily in the hands of toddlers. The stories aren't really full stories but more to set the scene and one could come up with different stories to entertain the kids. As the kid gets older, they can get creative with each scene.

The magnets are thick and stick well to the pages. You can store the magnets in the clear plastic part on the bottom (it isn't just a plastic casing you tear off - the magnets are sandwiched between two plastic pieces so the top piece acts as a lid). However, the first page and the last page (which are glued to the front and back cover of the book) aren't magnetic. The toddler doesn't like this because she can't put Peppa in her bed on the last page. I wish Scholastic had thought that part through - it can't have been that much more expensive/difficult to have magnetized those pages too.

This is a great book, I agree with a previous reviewer that the last page not being magnetic can be a

bit confusing for the kids. But the pictures are cute and the magnets definitely bring a more interactive approach to the book. My daughter loves using the pages to create play scenes for her figurines.

This is hardcover. The cardboard is great quality, the magnets however is not super strong, no complain though, so little one can move the around easily.

Clever concept and so cute for any Peppa fan! Board book material.

I bought this for my great niece who loves Peppa Pig. It is a very sturdy book. Each page gives clues of which character magnet belongs. We read this together and she enjoyed it very much.

My 3 year old loves playing with this book. My one complaint is that the last page is not magnetized, which makes half of the final scene non-playable with the magnets.

my daughter loves this book! she has so much fun placing the magnets on different pages. I wish the magnets stuck a little better but that is my only problem with it
