Customer Reviews

High quality paper dolls. The historical dolls are a really wonderful way to help kids really visualize history I have made permanent paper doll stands from railings available from places like Home Depot or Lowes). If you have access to a table saw you can cut a groove into the top of the rounded part of the railing. I have found that 2" to 2-1/2" in length is good. Stain & varnish if you like. These really help to keep the dolls standing up & makes actual play more fun for children.

It is well done. Paper dolls, in general, are difficult to use because the tabs tear. I'm planning to apply a magnet sheet to the dolls and their clothes.

This one is very pretty. I am so happy have it. great addition to my collection.

this one looks really nice in actual. i really love how it looks.

excellent quality
