Customer Reviews

I pretty much knew most of the book because I am a HUGE HUGE HUGE fan of one direction but I liked how they used their actual quotes in the book so it isn't bias and it is a great book because they told the truth when they wrote it. It is not a loser book because I saw a one direction movie that said that if Bill could dye his hair Brown even though his real natural hair color blonde but this book tells the truth! This book is @m@\$Â¡Ng!!!!!!

I bought this for my 14 year old niece who is in love with these Brits! Her mom said to me "she hates reading" - the girl has read this book 3 times since Christmas (three weeks ago)!

This book was requested by my teen granddaughter. She kissed it when she opened it Christmas

morning. That's all grandma needs to see!

Granddaughter loves it as she did all the other One Direction items bought from . She's a One Direction fanatic.

Hi love you guys and one direction hi guys from the bottom of the world and is a great deal of the world and its.

A granddaughter requested this for Christmas. Was able to order it easily and rec. it fast - before they ran out!

This book is pretty good. I don't have it as a kindle book, but as a real book. I still highly recommend it.
