Customer Reviews

Great for babies beginning more advanced fine motor skills (4-5 months+). Flaps open from left-to-right, top-to-bottom, even diagonally. Bright high contrast, simpler images than classic Little People books. My baby is now 8 months and loves opening the flaps.

There's not one of these books that I don't rate highly. My 25 month old loves them

Great Book

Great book for my two yr old daughter. There are so many flaps that it keeps her busy for quite awhile. The pictures are cute and there are great learning pages, counting, colors and verbs.

Very entertaining books for a toddler. Interactive pop up pages on each page.

Super cute and something that kids will love

Cute and colorful book with lots of flaps!

Great book for my 2 year old!
