Franklin's Big Book Of Stories: A Collection Of 6 First Readers (Kids Can Read)

Synopsis

This popular collection starring the lovable turtle Franklin includes six first readers: Franklin and the Scooter, Franklin and the Contest, Franklin and the Bubble Gum, Franklin and the Stopwatch, Franklin and the Magic Show and Franklin and the Cookies. In each story, Franklin faces a unique problem common to the everyday lives and experiences of young children. Whether it's an overwhelming desire to get a scooter of his own, a dilemma over what to do when he inadvertently ?steals? all the bubble gum from a machine or the conflicting desire to eat all of his cookies while also wanting to share them with others, Franklin faces up to each situation with honesty, a generous spirit and a lot of ingenuity. With his good friends Bear, Fox, Beaver and Rabbit nearby to lend a hand, Franklin always manages to find a terrific and age-appropriate happy ending to his dilemma, teaching children that no problem is ever too big to resolve. Crafted for early readers, the stories all contain short sentences, and every page has clear, easy-to-follow illustrations, which provide contextual clues to any words children may stumble over. Each story begins with the same two sentences --- ?Franklin can tie his shoes. Franklin can count by twos.? --- helping to build reading confidence through repetition. A favorite from books and the beloved television show Franklin and Friends, the familiar characters in these stories are widely appealing, making this a comfortable choice for new readers.

Franklin is a classic in our house. My 8 year old daughter loves to read her Franklin book. She is a little behind in reading for her grade but I find that she builds up her confidence with this book series. It's perfect for her. The best part is that she is building up her fluency and sight words. She loves to read!

The stories in this book are shorter and not as detailed as in the regular single Franklin books, but they're still nice for a shorter story. They're great for kids who have a little reading experience under their belt.

My grandson loves the Franklin stories. I was unable to find them at local bookstores.

All the Franklin books are great. My granddaughter loves them.

Love Franklin books. Looking forward to reading this
