The Adventures Of Franklin And Friends: A Collection Of 8 Stories

Synopsis

Here's a way to have a range of picture book stories about the ever-popular Franklin the Turtle at your fingertips. Tie-ins from episodes of the 3D-animated television series Franklin and Friends, these eight separate stories provide models for dealing with a variety of everyday concerns and real problems faced by small children as they navigate the new frontiers of their lives. They help explain how to deal with uncomfortable situations, such as the fear of speaking in front of the class (Franklin and the Wonder), getting a nickname you don't like (Franklin, the Little Bubble) or being the only one who still struggles with a skill that all the other children have mastered (Franklin's Ups and Downs). Some explore handling social relationships, as when friends disagree about the best way to make something (Franklin's Partner), a friend doesn't want to play the same game as everyone else (Franklin's Spaceship) or when a decision must be made about which friend truly deserves to win the prize (Franklin and the Gecko Games). And a couple offer suggestions for fun and interesting ways to challenge yourself, such as solving a mystery with teamwork (Franklin and the Big Small Case) or using your imagination to travel to outer space (Franklin in the Stars). Besides being terrific read-alouds that feature familiar, appealing characters, stories about Franklin and his animal friends are always a perfect fit for character education lessons, particularly those on compassion, caring and kindness --- Franklin's strong suits.

Book Information

Lexile Measure: 500L (What's this?)

Series: Franklin and Friends

Hardcover: 192 pages

Publisher: Kids Can Press (August 1, 2013)

Language: English

ISBN-10: 1771380276

ISBN-13: 978-1771380270

Product Dimensions: 7.8 x 0.8 x 8.6 inches

Shipping Weight: 1.5 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (4 customer reviews)

Age Range: 3 - 7 years

Grade Level: Preschool - 2

Customer Reviews

The book was ok. It's not written by the original author, and therefore has a very different writing style. Though my daughters and I enjoyed the book, it definitely has a very different feel than the original series. The characters remain the same but the illustrations (computer generated) are somewhat different as well. The stories are good but not as in-depth as the original series. I would recommend it for a slightly younger age group. The only thing that truly bothered me was Franklin frequently saying "cool-io"-that just drove me nuts! (as well as the eye bothering 3-d panel on the cover). Overall, they were fun stories and it's always nice to have them in a hard cover collection. I would recommend it to others, but with the caution not to expect them to be like the originals. *The Adventures of Franklin and Friends: A Collection of 8 Stories*

Beautifully illustrated. My son loves the fact that the characters on the front move as he moves the book.

Granddaughter loves Franklon stories. She enjoys them all together in one book.

granddaughter loves it
