# Eva And The New Owl: A Branches Book (Owl Diaries #4)

## Synopsis

Pick a book. Grow a Reader! This series is part of Scholastic's early chapter book line Branches, aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! In book #4, a new owl named Hailey starts in Eva's class at school. Eva is always happy to meet new people, and she's excited to make a new friend! But the new owl befriends Lucy instead of her. So Eva gets jealous. Lucy is Eva's best friend! Will Eva lose her best friend? Or can Eva and Lucy BOTH make a new friend?

## Book Information

Age Range: 5 - 7 years

Grade Level: Kindergarten - 2

## Customer Reviews

My girl was always a reluctant reader, but the Owl Diaries changed that! She loves the stories which are written at a perfect level for her, not too complicated but with simple words and wonderful writing. The book series is in a diary format which will speak to little kids and encourages them to start their own diaries. Not only did the book encourage reading, but the diary format got her writing as well! Plus, there are so many other "diary of a" books for older readers, that having a series at this level is

perfect since the little ones have already seen the older diary series from their siblings, which also encourages reading. In all, another great Owl Diaries installment!

We were first introduced to the Owl Diaries series through school book orders. My daughter won't put them down. We just received book 4 of the series today and dd has already read it. She is asking if I can preorder the next book due to be released late November of this year. These books are great!

My 3rd grader was a reluctant reader but she has read every single book in this series in one day. She LOVES them. Even did her reading fair board on one of them. Please, please, please write and release new ones. OFTEN.

I love the branches books for my 2nd grader. They've helped her build the confidence to read chapter books on her own. The Owl Diaries series is her favorite. The stories are interesting to her and she enjoys the illustrations.

We bought the first in this series at a school book fair while my daughter was in Kindergarten, and were immediately enchanted by the illustrations. The subject matter in this fiction series is completely relatable for the younger elementary set, and the combination of story line, word play, and precious illustrations all capture and hold my daughter's attention. We have also gifted books in this series to friends, and received very positive feedback.

I love this series! I teach 1st grade and love having these in my classroom library. These are great books because they keep kids engaged. As a parent, I love these because they are good for kids who have short attention spans. My daughter has ADD and struggles with stamina while reading. These books work for her because she can focus on one speech bubble at a time, which keeps her focused.

My daughter loved this book. She is a very advanced reader in 1st grade. It's hard to find age appropriate books for her that are at or near her reading level. The books have cute little pictures on each page.

This series is super cute! Each page has bright colored drawings. This is the perfect transition to chapter books. The print is a bit larger than most books which is great for early readers. The stories

are engaging and fun.
