Scholastic Reader Level 2: Super Fly Guy

Synopsis

Tedd Arnold's hilarious SUPER FLY GUY, originally published in 2006, is now available in paperback with foil on the cover! The second book in a humorous, award-winning series about a boy and his pet fly is now available as a Level 2 reader! Fly Guy loves the school lunchroom. But when the lunch ladies discover there's a fly in the cafeteria, chaos ensues! Using hyperbole, puns, slapstick, and silly drawings, bestselling author/illustrator Tedd Arnold creates an easy-to-read story that is full of fun and excitement.

My 5 year old & my 2 and half year just love this book. Good illustrations and a cute story including Roz the lunch lady. I highly recommend this book!

Very cute book , my sons love fly guy very engaging story's to keep them excited about what happen next bright color with lovely pitchers and the story is not to long or to short . Book was delivered on time . The book had no squished corner and the book is not flimsy , for a paper back book I have very happy to find how sturdy the cover was and the pages are thick to . I have bought many of the fly guy book over the passes 6 years but only hard cover from stores . Being our first

paper back of fly guy we were very happy with the quality of the book I recommend it to any one that was a good silly book to read - enjoy

"Super Fly Guy" is a great early reader book. It's fun and silly while still remaining a reasonable read for about a level 3 reader. I also love "Hi Fly Guy" and "Shoo Fly Guy". I only wish I could find more books of this quality at this level.

Tedd Arnold has recently written the 10th book in the Fly Guy series. This was our first encounter with Fly Guy. In Super Fly Guy, Fly Guy goes to school with Buzz and ends up helping out in the cafeteria. The storyline is not so great, although I can see the appeal for younger kids. Who doesn't like gross, stinky garbage?! The illustrations are great and it's a "chapter" book (if you call 3 small chapters a chapter book!) with large print which is good for beginning readers.

Super Noah loves to read & Fly Guy is one of his absolute favorite characters. We discovered the Fly Guy series by Tedd Arnold while visiting our local library last year. Super Noah, who was just starting 1st grade, was able to read these books all on his own. Listening to him read, laughing hysterically, it was music to my ears. And now, a year later, we own every book in the series & Super Noah still loves Fly Guy. If you are not familiar with the Fly Guy series, it's a super sweet story about a boy named Buzz, Buzz is trying to find himself a new pet. Once Buzz & Fly Guy meet, so begins a beautiful relationship full of adventure & giggles. A fly as a pet you ask? Well, you will have to read the books to see where that leads (:Yes, I admit, Superdad & I find ourselves laughing along with Super Noah during reading time. We too love the Fly Guy series. My first grader loved the first book in the series, so I decided to get more for him. I tried the kindle version, and was glad I did. It only works with kindle fires, not the paperwhite, but on kindle fire it works beautifully. You have to read in landscape mode, and it shows two pages at a time, just as if you were reading a paper book. The font is a bit on a small side on my 7 inch kindle, and you cannot zoom in, but my son does not have a problem reading it. With so many barely readable

kindle picture books I was glad to find a series that actually works great - I think they did great job making it kindle-friendly. The story is a bit disgusting with fly guy eating garbage and licking the filthy mop, but my son loves it, and read and reread it multiple times. This is a picture book, disguised as a chapter book, so it is still easy to read, but the story is longer and there are chapters! My son was thrilled to be able to read a chapter book.

Tedd Arnold books are great for any fun loving boy (or girl, for that matter). The humor that Tedd Arnold incorporates in his books makes not only a 6 year old boy laugh but also the adult reading it with him. I never walk away from reading his stories in a grumpy spirit. The illustrations are wonderful and make the books even more exciting!

This is a great series about a boy named Buzz and his pet fly, Fly Guy. In this book Buzz takes Fly Guy to school, and the drama unfolds in the lunchroom, which is definitely paradise for Fly Guy. Fly Guy's fondness for garbage and any kind of rotting slop really tickles kids' sense of humor. And the story has a fun conflict, with a sweet lunch lady who is kind to Fly Guy and a mean lunch lady who isn't. The happy ending is heartwarming. The drawings are colorful and cute. Even hairy, bug-eyed Fly Guy manages to be appealing. Little boys especially love Fly Guy. And the reading level is just right for beginning readers.
