## Customer Reviews

Okay, so yes it's just a wall calendar and you can get plenty of those (from puppies/kittens to celebrities to planets to whatever the imagination can think of) depending on your taste. This one though, is just amazing. Each month has a new map and all have tremendous detail beyond the normal things such as mountains and rivers. It has artwork and theories and whatever else an old map may have such as trade routes. My husband just loves this series and buys one every single year. They're just beautiful and if I could come up with a clever way of framing them I most certainly would!
