Customer Reviews

I brought this because of the reviews. I did not care for it. I thought it was on the level of Annie lee calendars, but it wasn't. I found out after I brought this that sold Annie lee. I gave this calendar to my mom. She loved it. I will stick with Annie lee. It a matter of preference. The colors on this calendar are bright. But not as bright as annie lee and the theme of jonathan's calendar was more deep south than everyday life as it is today.

A beautiful calendar - if you're into this style of art. This is the third year I am ordering them.

I absolutely LOVE the art in Jonathan Green's calendars. This is the 10th year for me ordering. Love it. Wish I could afford his paintings -- I would have them all over my house!

Love his work. Have purchased his calendars for over ten years plus. Wish I could afford his paintings. Such a sweet person, had the opportunity meet him in South Carolina in a book store. He was very personable and friendly.

Love Jonathan Green but this has only a few of my favorite picture - not as good as 2011, 2010 and

2008 calendars. But it is still a wonderful calendar!!!

Excellent calendar. The artwork is beautiful. I bought 2 for home and as a gift. By again next year.
Great product

THE ARTISTIC BEAUTY IS SECOND TO NONE AS ONLY JONATHAN GREEN CAN!!! I HAVE COLLECTED HIS CALENDER OVER THE YEARS

As usual the art work of Jonathan Green never disappoints. I just wish that the calendar could be printed on a better quality paper. Heavier. Charge more if you have to. I'll still buy it.
