## Customer Reviews

Love the photography/layout of this calendar. This is my second year purchasing calendars by this photographer and I'm just as impressed as I was with the first purchase.

This is a beautiful calendar for anyone who loves flowers. The stunning, detailed closeup photos are beautiful beyond words. A framed collection of them on a wall would be a great "design on a dime" decoration, or an individual photo could provide color inspiration for a room. Well worth the purchase price; the photos are printed on heavy paper. This calendar makes a lovely gift.

The photography is amazing and could qualify for framing. This is a large size and I will keep it after

it expires just to flip through.

Received it very quickly. No dents or damages. Pictures are clear as day and have beautiful detail. Would definitely purchase again.

I purchased this to hang in my work cubicle. The photography on the cover and the small pics of each month on the back are gorgeous; can't wait to open and use it.

Beautiful, contemporary images. Looks good on any wall. I love it in my kitchen. The large images of flowers are a statement that can be seen across the room. Not a boring calendar.

Beautiful choices from nature, great close-up photographymakes each page stunning. Appreciated the pages all year!Good gift or for yourself.

i got this last year and it wasn't so great. boring but did the job-it was a calender need i say more?
