## Customer Reviews

Golden Books can be tricky because there's such a broad range in their prose. *How to Be a Superhero* is definitely on the youngest end of the spectrum, a good adjacency to *Big Heroes!* and *Flower Power!*, with just one to two sentences per page. This is perfect for those littlest superheroes who are getting into comics but don't necessarily have character affinities yet. *How to Be a Superhero* chronicles Captain Mighty stopping crime and a young boy who wants to be like him. So Captain Mighty asks the boy what his super-powers will be, they go through a quick list of "fly or fast" "quills or webs" etc, and when Turbo Troll attacks the mayor, the boy saves the day and becomes the Silver Cyclone ("cyclone", btw, the most difficult vocabulary word in the book). Now any kids older than about 5 are going to want to know where the super-powers come from, and why plodding through a laundry list suddenly makes the boy a superhero, but these aren't questions

most 2 - 4yo's will ask, which is who this is geared towards. It's not the most amazing or engaging story, and it's unlikely to be a favorite for long as your little ones grow into more interesting characters, but for that snapshot in time, like first steps or first words, this first superhero book is perfect.

Adorable story about a little boy's quest to become a superhero. No real bad guy images (except some benign robbers) and the rhyme is adorable, graphics nice. My 2 1/2 year old liked it as did my 4 1/2 yr old.

I picked this up for my daughter and we really enjoy reading it. She has brought to me a couple times now to read it to her. She is five years old and has recently discovered a love of all things superhero. Highly recommended for this age group.

My 3/4 yr old boy LOVES this book! Nothing too scary or ugly about it. It's a Little Golden Book- can't go wrong!

Not much to the story, but my kiddo likes anything with regard to superheroes.

Do you have a little boy (or a little girl) who's starting to read? This is the book for them. The title says it all, How to be a Superhero.

Cute basic Little Golden Book - you know, the kind we used to get as kids. I paired this with a set of capes and masks and gave as a gift to my nephew. He loves it. I would recommend this book.

Good fun book. Simple and quick. My two girls who like superheroes enjoyed it a lot. Ages 2 & 4. fun art too!
