Kindergarteners On Their First School Bus

Synopsis

I was a school bus driver in an upper-moderate to high income, northern New Jersey town during 2009-2010. There were 34 kindergarten students assigned to my bus. Most of them had never been on a school bus before. This colorful book will briefly give you a glimpse into the bus rides of these little super heroes and super heroines as they handled riding their first school bus during 10 months of a very challenging and sometimes hilarious, school year. Richard L. Allen has been a school bus driver and has written several books. His books include: Lock and Key, A New Ark Police Officer's View of Poetic Justice, Poetic Black, Poetic Police Food For Thought, The All About Children/Kids Book and Poetic Black II

Customer Reviews

I thoroughly enjoyed the book its wonderful to read about the funny things that 5 yr olds say. I believe that every adult wonder esp those who have children will enjoy it and will probably see their little one in one of the stories.

This writer is a dear friend and has a gigantic heart. This book is another part of his love of life and especially children. Thanks Richard for another great book!!! xoxoxo
