Customer Reviews

I have purchased this calendar for several years. The quilts are amazing works of art. The format of the calendar is perfect for my needs -- it opens flat and there is adequate space for each day's activities.

My mom has not used a quilt calendar for years. The songbird engagement calendar she likes was not printed this year. She was delighted. Gorgeous quilts. Vibrant colors. A new picture every week.

I always look forward to next year's AQS calendar. Love the quilts while keeping somewhat organized! Sometimes I even know one of the creators of the awesome quilts!

I love these, they are perfect to use at my desk and for the type of work that I do. I have ordered one every year for the past maybe 4 years atleast if not more.

I buy one of these every year. I can look back at all my appointments, etc. through the year. It is sort of like a diary. My all time favorite calendar.

I love this calendar. I get one every year. It is the right size, has the right amount of room for dates, etc., and I enjoy reviewing all of the quilts.

A great calendar for a quilter and quilt lover. I keep track of EVERYTHING in here, including when to pay bills. I like the fact that it is spiral bound.

I received this quickly. I buy this calendar every year, partly 'cause I'm a quilter, partly 'cause it has lots of space for noting appts, etc.
