I get a double dose of what I need with this. I get a calendar to keep me on the right date and a different quilt pattern each day. It comes with a fold-up heavy cardboard stand making it easy to see what day it is. It also helps when making the blocks as it never gets buried under your fabric! The blocks are various sizes ranging from 8 to 14 inches. Each pattern shows a completed block and the sizes of each of the pieces used to create the block. If you were to make a block a day, by year's end you would have enough pieces to make several sampler themed table runners or a couple of quilts or more depending on the size of the quilt. It is a great way to have 365 different quilt block patterns in a small space and it lets you decide what type of quilt (runner) you want to make. Pick a block to make a project or pick two or three blocks and make another project. The combinations are just about endless.

I just love this perpetual calendar. There are beautiful quilt blocks for each day. They are in color and the amount of yardage for each color is listed along with the size of the block. I will never throw this away.

I love this idea of one block a day for a whole year. It is a perpetual calendar, so it will always be on the desk top. What I like about it is the many many ideas it gives me for making say a quilt with all star blocks - or simply a sampler quilt of different blocks. Simply a great thing to own if you are a quilter.

I bought this calendar as a gift for my niece. Over the past couple of years I have gotten her "hooked" on quilting and she had admired the calendar I had bought for myself several years ago (also from). She really likes the variety of quilt blocks the calendar presents along with the individual dimensions for making each block.

An easy to use calendar where you can make a block a day and have a very unique quilt at year end. Great for all quilters. Makes a wonderful gift!

The best collection of quilting designs I have seen in a long time. I would recommend it to anyone who likes variety in easy patterns.

Great calendar - just in case you need inspiration. Great ideas, although I wish it had just a tad more detail,

I like that I don't have to worry about getting a new calendar every year and that tells you how to make the quilt blocks for every date in the year. It also made a nice gift for a quilter.
