## Customer Reviews

We needed a 2015 to replace our 2014. My family loves to look at the different cupcakes for each month. We have never made one of them but we like to see them and see what is used to make them. It is a fun calendar for my kitchen.

When my daughter was born, I took to calling her my "little cupcake." My wife loved it, and started getting these calendars every year to have in our daughter's room. We're now on year three, and even my little cupcake enjoys the changing pictures every month! And you can't beat the price on . A solid deal for cupcake aficionados

I get it every year for my daughter. It's fantastic!
