# Girl Online: On Tour: The Second Novel By Zoella (Girl Online Book)

## Synopsis

In this sequel to the New York Times bestseller, Girl Online, Penny joins her rock-star boyfriend on the road in Europe. When Noah invites Penny on his first-ever European tour, she can't wait to spend the summer with her rock-god-tastic boyfriend. But, between Noah's jam-packed schedule, less-than-welcoming band mates, and threatening messages from jealous fans, Penny wonders whether she's really cut out for life on tour. She can't help but miss her family, her best friend Elliot, and her blog, "Girl Online." • Can Penny learn to balance life and love on the road, or will she lose everything in pursuit of the perfect summer?

## Customer Reviews

Young adult reads are always a delight, it takes you back to when you were young , yep I said it, so naturally you can work out I am not that young, so why read a young adult book, you might ask? Well it's exactly as I said, it takes me back to when I was young and sadly the young adult books of today did not exist back when I was young. There was the Nancy Drew and Hardy Boys all those that were fantastic reads to keep you occupied whilst secretly wishing you could get your hands on the romance books your mother hid away, or that the books would actually have situations

you could relate to. But enough about me and my old age, let's get down to business and talk Girl Online On Tour! Penny joins her rock - star boyfriend, Noah, on his European music tour. Bags packed, hair styled, accessories loaded and ready to go! Penny cannot wait to spend time with her rock-tastic boyfriend. But between his jam( get it?!) schedule , the less than welcoming band-mates and the threatening messages from some pretty jealous fans , Penny starts to wonder if she's really cut out for this kind of life on tour. She misses home, family, friends and her blog. Soon thoughts of losing her life back home in exchange for the what might be the perfect summer start to roll around in her mind and the question lingers. Is life on tour really worth losing her true identity ?Now on to what I thought. The best part of this read with out a doubt is the realistic look at life on tour. When I think back to the bands I drooled over I remember that I always thought how cool their lives must be. Getting to see the world, meet new people and all while doing what you love.

**BOOK & AUDIOBOOK REVIEW: 5 STARS**Zoe Sugg did it again! I loved the first book of the series, Girl Online, and of course I loved this one too. Just like the first book, Girl Online On Tour was very well written, with great descriptionsâ "I love, love, love seeing the European cities through Pennyâ ™s eyesâ "the plot was as original as the first one and of course the characters were amazing. This books starts six months after Girl Online ends. Penny and Noah are having a great relationship, despite it being a long distance one, and now that Penny has finished school, Noah invited her to join him on the European Tour for the next two weeks. They both are so excited about spending time together, but the truth is that being on tour wasnâ ™t so much fun for Penny. There were so many obstacles for them, the rehearsals, the meetings, the traveling, the parties and some peopleâ "ugh, especially the people, so freaking annoying. To know how everything goes for Brooklyn Boy and Autumn Girl, youâ ™ll need to read this amazing book. All the teenage drama is back in this book. The romance, the good friends, the amazing family, the Girl Offline Never Going Online blog, and more great things in this book always put a huge smile in my face while I was listening to it. But the bad things like the jealousy, the bad friends, mystery about who stole Pennyâ ™s phone and now is threatening her made this book so angsty. I love, love, love all of it. There were moments when I wanted to slap Noah on the face, ugh, but then I remember he was a teenager, so his behavior was expected at his young immature age, but seriously man, what the hell? Anyway, I loved how everything wound up for them both. The secondary characters were as amazing as they were in the first book.
