Each Peach Pear Plum Board Book (Viking Kestrel Picture Books)

Synopsis

Each Peach Pear Plum - the classic picture book by Janet and Allan Ahlberg. Each Peach Pear Plum is a timeless picture book classic from the bestselling illustrator/author team Janet and Allan Ahlberg, creators of Peepo!. Each beautifully illustrated page encourages young children to interact with the picture to find the next fairy tale and nursery rhyme character. This board book edition is perfect for little hands. In this book With your little eye, Take a look, And play 'I spy' Praise for Each Peach Pear Plum: 'Deceptively simple. Each Peach Pear Plum is a work of genius' Elaine Moss 'This familiar rhyme has been given the brilliant Ahlbreg treatment to which no young child can fail to respond. It's a book which will be read over and over again . . . just perfect!' Child Education 'A charming, pictorial fantasia...a warm, sunny, delectable picture book' Brian Alderson, The Times Allan Ahlberg has published over 100 children's books and with his late wife Janet, created many award-winning children's picture books. The Baby's Catalogue was inspired by their daughter, Jessica. The Ahlbergs' books are nursery bookshelf standards and have been the recipient of worldwide acclaim and awards, including the Kate Greenaway Medal. Look out for these other classics by Allan Ahlberg: Burglar Bill; Cops and Robbers; The Baby's Catalogue; The One and Only Two Heads; Son of a Gun; The Little Worm Book; Two Wheels Two Heads; Funny Bones; A Pair of Sinners; Happy Families; Peepo!; The Ha Ha Bonk Book; Help Your Child to Read; Ten in a Bed; Please Mrs Butler; Daisy Chains; Yum Yum; Playmates; Foldaways; Woof; The Cinderella Show; The Jolly Postman; The Jolly Christmas Postman; The Jolly Pocket Postman; The Clothes Horse and Other Stories; The Mighty Slide; Starting School; Heard it in the Playground; The Bear Nobody Wanted; It was a Dark and Stormy Night; The Giant Baby; Baby Sleeps; Blue Buggy; Doll and Teddy; See the Rabbit; Please Mrs Butler; The Better Brown Stories; The Boyhood of Burglar Bill

Grade Level: Preschool and up

Customer Reviews

I was introduced to this book during my language arts class for elementary education majors. Our wonderful professor read this book to us as a read aloud experience. All of us being adults was absolutely fascinated by this book. We were all trying to find the characters on each page and each one of us fell in love with this book. This book is so much fun but it also gives young children the chance to learn how to read by hearing the rhyming words used throughout the book. I have read this book to several children and I cannot express to you enough how much each one of them love this book. Please purchase this book!!!!!!! I insure you it will be a treasure for your child and you as well.

This is a book that I was first introduced to during an English lesson during my PGCE course. After just one reading I have had to go out and buy my very own copy. I was in awe of the magical combination of rhyme and illustration. The rhyming text is based around a game of 'I spy'. There is a lot of rhyme and repetition which is very appealing to young children. The book is cleverly crafted to incorporate many well known fairytale and nursery rhyme characters and your job as the reader is to spot them! The Rhymed verses give youngsters clues about who they can look for in each beautiful picture. The book is a wonderful way to introduce children to the world of rhyme and with a second reading the children will be joining in with you. As a basis for classroom work it could be used in many different ways. The children could be encouraged to create their own 'I spy' stories with hidden characters to fool the reader. 'Each Peach Pear Plum' is an excellent example of the joys of picture books, it is simple and fun yet intricate and detailed. I challenge you to be unswayed by its charms.

I would recommend this book to children of all ages although mostly for younger kids. It is the sort of book that little ones can often recite along to and it is well written. I myself loved it as a child and still recite it whenever I feel the need. I would recommend it if you are considering buying this book. Do

not read on if you do not wish to 'sample' the book. Each Peach Pear Plum, I spy Tom Thumb Tom
Thumb in the cupboard, I spy Mother Hubbard, Mother Hubbard on the stairs, I spy the three
bears, Three Bears out hunting I spy Baby Bunting, Baby Bunting fast asleep, I spy Bo Peep, Bo
Peep up the Hill, I spy Jack and Jill, Jack and Jill in the ditch, spy the wicked with, Wicked witch over
the wood, I spy Robin Hood, Robin Hood in his den, I spy the Bears again. Three Bears still hunting,
they spy Baby Bunting, Baby Bunting safe and dry, I spy Plum Pie, Plum Pie in the Sun, I spy
everyone

I am in college right now, and my mother called me up a few days ago to ask me if I could order
"Each Peach Pear Plum" for her "adopted grandson." I immediately went back to my childhood,
reminiscing about how this was always my very favourite of all books. I mean, I GREW UP with this
thing. Whenever my mom and I would go to the library when I was little, I would ALWAYS HAVE to
check this book out, so finally in 1985, when I was 5 years old, she gave me my own copy, and I've
cherished it ever since. I learned to memorise every line, and to this day, I can repeat the entire
story from start to finish without even thinking twice!

This is a good book of a few rhyming couplets featuring fairy tale and nursery rhyme characters,
perfect length to catch the attention of a young child - and enough detail in the pictures to keep the
attention of an older one! For those people who are concerned about this sort of thing, there are
some references to "the Wicked Witch" (she's not shown being any more wicked than anybody else,
and she eats pie with her neighbors at the end. Wicked is just her name, I guess) in the book, and
there are also a few images of the three bears being very careless with guns while hunting. I don't
find that this hampers our enjoyment of this book, but if these are sensitive topics for your family,
you may want to check the book out of the library before committing to a purchase.

This book is an utter delight. I had never heard of it before recommended it, but my kids are
obsessed. My seven-year-old son has memorized it and sings it to the little kids, who often ask to
have it read to them. I really like the way there is something for the kids to find/do with each page,
but just one thing. We keep moving, but they are engaged. I also felt like all of the drawings were
charming and memorable. This will be a new go-to gift for new parents.

I had forgotten how fun this book is! The rhyming is wonderful, but the illustrations are what make it
so wonderful. It is truly a seek and find kind of book, where you find new little details nearly every

time it is read. For this reason, it is one of those books that will grow with the child for many years to come.

All of my children loved this book. We had to original copy after several years of wear. I now give this book as a gift to friends with young children. It is very sweet with beautiful illustrations. Any child would be lucky to have this as part of their childhood library. Highly recommended.
