Marion Strikes A Pose (The Critter Club)

Synopsis

Fashionista Marion enters a styling competition in the eighth book of the Critter Club seriesâ”but will she regret helping out one of her competitors? Marion is so excited. Thereâ”™s an upcoming kidsâ”™ fashion show for charity, and the students at Santa Vista Elementary get to style an outfit for it! Since only one design from each grade will get picked for the show, Marion knows she has to win. So sheâ”™s surprised when a girl named Olivia asks her for some style advice. Marion agrees to help Olivia, and actually has fun doing it! But problems arise when Marion realizes that Olivia has designed the exact outfit Marion had planned to present to the judges. So Marion tells a little white lie in order to get her way. At first, she is excited to impress the judges, but soon, another feeling creeps up on her. Is it guilt? Will Marion tell Olivia what she did? And whose outfit will get picked for the fashion show? Plus, Marion deals with taking care of some frogs at The Critter Club! With easy-to-read language and illustrations on almost every page, The Critter Club chapter books are perfect for beginning readers.

Customer Reviews

Marion was all excited to enter the fashion contest held by the Closet. However, when she befriended Olivia who was also entering the same contest, she was torn between helping her new

friend and winning the contest herself. I was impressed with her courage to own up to Olivia that she had intentionally chosen a poorer design for Olivia when she was consulted so that she could win the contest. In fact, Marion was able to see a bigger picture than winning the contest - the contest wasn't about winning but was also about helping people.
