What 9 year old doesn't like super heroes Or Mad Libs? Great for reinforcing those language arts lessons over the summer with fun twist!!

I bought several different Mad Libs for my boys when they had some friends over. They had so much fun with them. The boys ranged in age from 8-14 and they all enjoyed them!

My husband and son really enjoy these. They are pretty basic Mad Libs but with the added fun of super heroes they both laugh themselves silly over some of the answers,

My teenaged son sat down and did three of these stories with his dad and I. Wow.

Bought this for my 8yr old nephew. He loved it and devoured it over a weekend vacation.

My cousins loved getting this as a gift! Hit of the party!!

These are lots of fun, and build language skills.

For Christmas, sure grandsons will love them
