Customer Reviews

My wife and I bought this book for our wedding for the guests while we were taking pictures after the ceremony. They worked great and people enjoyed them. Our order was great, too -- quick and just as we expected.

This is a sad book full of icecream and hotdogs. The unicorn was funny as it took a nap in my bathroom. Lol

Mad Libs is a great way to teach parts of speech in a fun way. I even took them to the women's jail where I volunteer and we had lots of laughs plus they were trying to remember what an adjective and adverb were!! Highly recommended for all ages!!

Perfect arrived on time! This is a great game to play with adult family and friends. Lots of laughs. If you have not played Mad Libs you really should.

I homeschool my son and Mad Libs is just another fun way for me to teach. We always have a good laugh too. I'm pleased they have Mad Libs to purchase with all kinds of different topics. Every age enjoys in this household. :)

Purchased this for our son's 15th Birthday right before our road trip. We busted this game out a few times on our journey and had a great time. Playing with teenagers and 72 year olds makes for quite a few laughs. This has been our favorite Mad Lib so far.

Classic! It's the best Mad Libs book I have ever had! I received it very recently and have almost filled half the pages! I have a lot of Mad Libs books, and this is, indeed, the best! I would completely recommend this book.

My 8,7, and 5 year old get a kick out of Mad Libs. They will pick the words for adjective, nouns, etc and I will read it to them at the end. It gets pretty silly but it's also a nice learning tool too.
