Miraculous: Tales Of Ladybug And Cat Noir

Synopsis

Marinette is the sweetest girl in Paris. With a big crush on a boy at school, a big dream of becoming a fashion designer, and a big problem with being totally awkward, she's just your average teenage girl, right? Did we mention she's also the crime fighting superhero, Ladybug? Becoming Ladybug is a complicated process! First, Marinette needs a "Kwami," which is a tiny magical assistant (hers is named Tikki). She also needs a "Miraculous," which is a magical accessory (hers is a pair of earrings). Tikki uses the Miraculous to transform Marinette. But her Ladybug super powers only work for a limited time! When Hawk Moth uses his mind-controlling, moth-like creatures called akuma to turn people into baddies, it's up to Ladybug to capture them and save the day! Well, she gets a little help from her superhero friend, Cat Noir | but she insists she doesn't need him. If only she knew Cat Noir's true identity | her crush, Adrien! Will Ladybug and Cat Noir be able to balance their double lives and keep Paris safe? Will they ever find out each other's true identity, or who's behind Hawk Moth's mask? Until then | there's a whole city of baddies to defeat | SPOTS ON, CLAWS OUT!

Book Information

Paperback: 192 pages

Publisher: Action Lab Entertainment (August 9, 2016)

Age Range: 9 - 12 years

Grade Level: 4 - 7

Customer Reviews

I'm a huge fan of the Miraculous series. As soon as comic books were announced I was lurking on the interwebs in search of a way to purchase them. The promise was for new and exciting stories,

but that is not what is going on here. The first issue is the story of Climatika, or Stormy Weather, depending on where you are from in the world. This is not even a new take on the old story. It is screen caps of the episodes photo-shopped to comic sized panels. Word balloons are added and a gradient applied to the background. I showed a random page to a friend, and she wanted to know who's tumblr it was downloaded from. If you are trying to get a child into reading, this could work out well. If you are a fan of the show looking for more content.....(-_-)

I was curious about these comic books, so I decided to order one myself. It is essentially three episodes (Stormy Weather, Lady Wifi, and Evillustrator) in comic book form. However, Stormy Weather was the first episode of Miraculous Ladybug that I had ever watched while the other are also personal favorites of mine, so I actually quite enjoyed flipping through it. The quality is also great for the price you're paying, imo. It's a lot bigger than I expected! It's almost the size of a magazine in both size and thickness, and the pages also feel thick and sturdy. I can see how the speech bubbles might look amateurish and lazy, but I personally don't mind it in the least. It felt like they were trying to make it seem more, well, comic book-like. In any case, I bought this with the intention of adding it to my Ladybug collection and I'm happy to say I'm really satisfied with the quality. Definitely worth checking out if you're a fan of the series in general and want something to add to your collection! (Side note: I think these comic books and the comic books that Desiree is talking about are two different ones. It was officially announced at the SDCC panel in July 2016 that Zag is planning on releasing comic books with 'new and exciting stories' about Chat Noir/Adrien in America, etc. but these clearly aren't it. My guess is that we won't be seeing them until 2017 at the earliest and those will be actual comic books - as in, hand drawn, etc. and not screenshots from the show. If that's what you're looking for, don't bother buying this. If anything, you're better off following Thomas Astruc or Jeremy Zag on Twitter for later updates and info about them.) Edited 8/15/16:

Fixed my mistake. This volume consists of THREE episodes, not one.

Bought this as a gift for my sister who LOVES Miraculous Ladybug. She must have watched this 100 times now. Hopefully they release more episodes soon!

i love my movie

Great condition
