Once again Hayley Rose has taken us on a fun and educational journey with Fifo! Combining incredible illustrations with her knack for word juxtaposition, any child can learn about varying and different instruments, animals and the great fun of doing things together. A beautiful book, the perfect present for any child in your life, certainly in mine! Thank you to Hayley for creating a wonderful read!

I have all of Hayley Rose's book, now. They are each wonderful reading. Fifo's Musical Animals is a whimsical, lovely adventure for both the reader and the listener. The choice of animals and instruments is so clever, humorous and stimulating to adults and children. Well done. Please write more books. My nephew loves them.

I am positively in love with this book. The creativity of matching the instruments and animals is the best ever!! Once again Haley and Mark have knocked it out of the park. I was going to give the book to my two year old great niece for the holidays, only she found it on my desk when visiting. I'm glad

she did because we had so much fun reading and laughing together. I also learned a few new instruments and animals in the process. I'm stocking up on this one for gifts all year long.

"Fifo Musical Animals ABC" is a fun and educational book that helps kids learn their alphabet, animals, and instruments all in one colorful package. My favorite is the Moose playing the mandolin. It was great to discover some more exotic instruments from around the world as well. Kids will love it!

I really enjoyed Fifo Musical Animals ABC. It's the perfect three-in-one book combining animals, along with musical instruments, to help children learn their ABC's. The colorful illustrations compliment the writing perfectly, which makes it a great addition to any child's library. Highly recommended.
