Nicky's Jazz Christmas

Synopsis

Nicky the Jazz Cat is back "just in time for the holidays" this time sharing his jazzy version of Christmas. Nicky's Jazz Christmas contains more charming photographs of Nicky, accompanied by the rhyming, swinging text that has been the hallmark of the award-winning Nicky The Jazz Cat series. We've worked with the best cats around, and Nicky is one of a kind! This sweet and soulful jazz cat followed his dream and came out a winner. I love him and so will the kids! This is a beautiful and swinging celebration for all.

• Quincy Jones "Nicky the Jazz Cat teaches young people about humor, improvisation, and individuality. His swinging adventures with his special jazz friends will inspire and delight children as they learn. Nicky is one cool cat!"

• Wynton Marsalis

Customer Reviews

I love this latest Nicky book! The design is perfect; the photos of Nicky endearing. The fun poetry in playful multi-sized fonts of different colors, some shimmering gold, is filled with intertwined Christmas and jazz imagery. Like snowflakes, jazzy mittens, Santa, the reindeer boogie woogie, angels and of course, cool cats in a bebop wonderland. I'll read it on Christmas Eve to my three young nephews, all Nicky book and cd fans. Then we'll dance, prance, sing and strut to Nicky's Jazz Christmas companion cd as we put finishing touches on the Christmas tree.

Confessed Nicky fans that we are, my friends and I have already bought several copies of "Nicky's Jazz Christmas" for upcoming holiday gifts, but we couldn't wait until Christmas to give it to our 2

and a half year old Nicky groupie. The latest in Carol Friedman's amazing series, this book is packed with adorable Nicky photos (not to mention poetic Christmas imagery) which our daughter personally narrates to us from the next room--what he's doing, wearing or saying-- and then she'll spontaneously sing a few phrases from Louis Prima's "Music goes Round and Around" from the Nicky's Jazz for Kids CD. (She's still learning the Christmas songs on the new CD). We couldn't be happier about the influence these books and CD's have had on her, and can't recommend Nicky's new Jazzy Christmas (and all the other Nicky products) enough. And even though I'm one of those complainers about too much Christmas music, I've already got the accompanying CD going in the car. It's adorable... our favorite Christmas CD so far.
