Northwest Passage

Synopsis

For hundreds of years explorers attempted to find the Northwest Passage – a route through the islands of Canada north to the Pacific Ocean and Asia. Others attempted to find a land route. Many hundreds of men perished in the attempt until finally, in 1906, Roald Amundsen completed the voyage by ship. Today, global warming has brought the interest in the passage back to a fever pitch as nations contend with each other over its control and future uses. The historic search inspired Canadian folk musician Stan Rogers to write “Northwest Passage,” a song that has become a widely known favorite since its 1981 release. It describes Stan’s own journey overland as he contemplates the arduous journeys of some of the explorers, including Kelsey, Mackenzie, Thompson and Franklin. The song is moving and haunting, a paean to the spirit of the explorers and adventure, and to the beauty of the vast land and icy seas. The lyrics are accompanied by the striking paintings of multiple award-winning artist Matt James. Matt brings a unique vision to the song and the history behind it, annotating his illustrations with marginalia about the explorers, including the native peoples of the north. The book also contains the music for the song, a note on the Northwest Passage, maps, information about Stan Rogers (as well as a final verse of the song that was never recorded) and notes on the illustrations. Following on the success of Canadian Railroad Trilogy, this is another beautiful book in which a memorable song illuminates a fascinating history that has taken on new resonance today.

Book Information

Hardcover: 56 pages

Publisher: Groundwood Books (September 3, 2013)

Language: English

ISBN-10: 1554981530

ISBN-13: 978-1554981533

Product Dimensions: 0.5 x 9.8 x 12.2 inches

Customer Reviews

Amazing voice and amazing artist...lost too soon to a jerk who needed to smoke in an airplane restroom. Funny, image evoking, tear jerking, excitement producing and history teacher...melded into one amazing performer.

Northwest Passage is a 12 x 9 hardcover children's book that is illustrated by Matt James. Mr. James drew his inspiration for his book from the song "Northwest Passage," written by Canadian singer Stan Rogers. The song tells the story of Mr. Rogers longing to take the Northwest Passage (a route that started in Canada's section of the Arctic Ocean, went through the Pacific Ocean and ended in Asia). This was apparently a perilous journey that many men search and died for until it was finally completed in 1906 by Roald Amundsen. In this book we see Rogers driving a bus around and reflecting on his life and comparing it to the men who sought this passage before him. The illustration style in the book is not necessarily my favorite as it comes off a bit juvenile at times. The main flow of the book is also interrupted several times to give pages of background/history in tiny font. At the end of the book is Rogers song set to verse and a gallery of the Passage explorers, which I found most interesting of all. It's a clever book, but unless you are familiar with the song or the importance of the Northwest Passage, this book probably isn't for you.

Came across this at a friends house and loved it. It is essentially the Stan Rogers song mixed in with history about Franklin and Arctic exploration. I've read it more than my kids!

nicely done
