Age Range: 2 - 5 years

Grade Level: Preschool - 3

Customer Reviews

It's hard to say when the 'humor' gene gets turned on. Apparently somewhere between 3 and 7 years of age, because that seems to be the range in which you'll begin to hear your first 'horrible' knock-knock jokes. Pros of this book - My children like the flaps. My 3 year-old son, in particular, likes to flip them over to see the punch line. The jokes are pretty basic so most children can 'get them' (Although you shouldn't be surprised if they don't. Word play is pretty sophisticated stuff. None-the-less, my 3 y.o. howls at 'Anita bath'.) Another pro is the simplicity. My 5 y.o. can read enough of the words to remind herself of the joke, and my 3 y.o. has just memorized them based on the pictures. Cons - There are only 10 jokes and all of them are name oriented: Olive, Ken, Anita, Duane, Sue, Sid, Luke, Wayne, Liz, Les. I don't know if this will eventually cause them to tease other kids based on their names, but it's possible. Four Stars. An okay book for a first joke book. The jokes are right on target for age ranges of 3 to 7 (and not baby to preschool as suggests).

I am very disappointed with this book :(I bought it for my 5yr son so I could help him learn some funny knock knock jokes. I thought I was buying a book FULL of fun knock knock jokes, but when it

arrived and we first opened it.....we found a little book that looks like it's made for a 2yr old (has VERY babyish pictures and thick cardboard pages)!!! The biggest let down is that it only has TEN knock knock jokes!! Unbelievable. ... I'll just have to suck it up and search for a new knock knock book...

We thought this would be a cute book for our soon-to-be five year old grandson. We were in for a treat. This was his first introduction to knock-knocks, and he began laughing harder and harder at each as he discovered the joke. "She was supposed to say 'I need a' but she said "Anita" (Bath, that is!) He giggled and roared, becoming almost breathless with laughter at each new knock-knock. Ten aren't a lot, but they certainly tired him out. What a delight to see! I'd like to see the author write some follow-up books. We've looked at other knock-knock books in the stores, but most of them have many jokes that presume a vocabulary or a cultural literacy beyond that of a five year old. This collection hit exactly the right keys.

My kids LOVE this book! My daughter, age 5, recites the jokes daily; they are simple enough for my three-year-old to understand too, but not too immature, nor too sophisticated. The illustrations are whimsical, fun and colorful and the lift-out flaps make it even more interactive. The book encourages them to come up with their own knock-knock jokes. I highly recommend this book! It makes a great gift too.

These knock knock jokes are humorous and not easily guessed because they rely on word play. Example: Knock knock. Who's there? Olive. Olive who? Olive you. (I love you). The book's format is sturdy and fun, too--one opens a flap to reveal the answer. Great as a relaxing filler or quick read.

I've been looking for a simple knock-knock joke book for my 4 and 5 year old nephews for months now...thank goodness this book came along! It only has a handful of jokes (10?)...but they all make sense and they're easy for the kids to remember too. The book has a neat setup. One page asks the question, then the facing page has a flap where you flip it over to reveal the punchline. Very cute. Much better than any of the "greatest" knock knock joke books I've seen. It's a good intro book, but I'd guess that older kids might not be too impressed with it since it is a very simple book. Perfect for my 4 and 5 year old nephews though.

This very cute book had my three-year old reading it TO ME within 20 minutes. He loved it. We both

did. The illustrations are adorable and the thick pages will withstand all that a toddler has to muster. I'm SO happy that I bought this book.

I really enjoyed reading the book with my five year old. She is starting to read and the lay out of the book and the jokes help the word recognition. My daughter increased her vocabulary and she really likes reading it to her grandparents. We'll be getting high dosage of knock, knock jokes at the Thanksgiving table this year.
