Amy Carmichael: Rescuing The Children (Heroes For Young Readers)

Synopsis

When Amy Carmichael (1867-1951) was a young girl in Northern Ireland, an encounter with a poor girl her age made her vow to help others when she grew up. That's just what she did. Amy's legacy of rescuing hundreds of women and children, first in Irish slums and then in India, is a stunning reminder of the impact of one person who will fear God and nothing else can have. Children, parents, and teachers love the adventurous Christian Heroes Then & Now biographies and unit study curriculum guides. Now Heroes for Young Readers introduces younger children to the lives of Christian heroes! Whether reading for themselves or being read to, children love the captivating rhyming poems and unforgettable color illustrations of the Heroes for Young Readers series.

Grade Level: Preschool - 3

Customer Reviews

I purchased this book for my 7 year-old to read, but I was disappointed in it.1. It's written in verse--and not *good* verse. I would have appreciated this book so much more if it had been written in good-quality prose instead of verse. I don't even want to read it aloud to her because of this (I'm not opposed to poetry, but....)2. The illustrations are kind of meh.3. The print isn't exactly small, but...it feels very distracting--like there's a lot of it on one page had very high hopes for this book, but they were, sadly, not achieved. I've tucked this book away on the off chance that my daughter may someday want to read it. In the meantime, I'll introduce her to Amy Carmichael some other

way.

We love the Heroes series and this book is the perfect read aloud for younger kids. My 6 & 8 yr olds enjoyed learning about a missionary's experiences. It is a good length and well written; my kids didn't lose interest.

I love the way the book rhymes and inspires children and adults to think about what God would want them to do with their lives.

LOVE this book! it's one giant poem that my 5 year old loved. We've been studying India and Amy Carmichael and this a great summary of her life and mission!

I thought it would be a thicker book instead of one so small and few pages. However, it is a wonderful resource to introduce Amy to young hearts and minds.
