Just in time for Christmas, the Herobrine guys have created another adventure in the Minecraft Universe. My kids love these stories and this latest edition really adds to their enjoyment of the Christmas season. It's funny, it's adventure, it's a great story!

Pancakes!!!!!!!!!! I loved the "pet Turkey" part. Hilarious!!!!!!!!!! totally thought the NETHER was cool. I don't mean to be a pain, but I would like to have seen mine craft Santa. I also have a idea for next book. Steve gets transported to the human world. Thanks, and bye!!! ^,, ^,, ^,, ps. Pancakes!!!!!!!!!!

This book had my 6yo and I laughing frequently and very hard. We find ourselves giggling and chatting about some of the jokes throughout the day. This book is very funny and I only hsd to edit for content a few times. (I reword things on the fly because of the younger age.) I'd recommend this and the Zack Zombie books as they're very well done. We've tried a few other Unofficial MC books

by other authors and found them to be either not as well written or actually in bad taste. The Zack Zombie series addresses some real life scenarios and how best to deal with them (bullies, lying, cheating) with Steve and Alex being of particularly good and gentle insight.

Uuuuuuuuuuhhhhhhhmmmmmmmm will there be a 4th book to this series and will there be an 11th book for diary of a minecraft zombie. Anyways all of these book were great and could there be a time were the 4th book for this series be were herobrine goes back to school. If you can please do it and you could even include all the old characters from the first book. But seriously though if you could do this I would be extremely grateful.P.S. I will give you ideas with every reveiw I promise.

This has been the best Christmas book ever! The adventures herobrine has is so funny and crazy! Oh and Merry Christmas everyone!! ^,,

This was a cute and funny Christmas story. Finished it on Christmas Day. Fun to read, we enjoyed it very much.
