Customer Reviews

This is not a traditional Simpsons "Fun Calendar" which is put out by a different company. As far as I can tell there doesn't seem to be one this year. Perhaps they are taking a break for the 25th anniversary. I found this "Wall Calendar" in K-mart for 4.99. The tack hole is punched through the top edge of each illustration. The back cover is yellow and does not look like it does in 's preview, although it contains the same drawings inside. For some reason it says 2014 after each month, like we need a reminder. I've since heard that there are repeat illustrations in this calendar, but fortunately the few fun calendars I have had don't contain any of these pics. It would seem that the illustrations in this wall calendar are the same as the images in the other 2014 wall calendar with the blue cover and the confetti. They're both made by Mead. Though it lacks the 2-page spread illustration and space-filling celebrity birthdays I'm still content.
