## Customer Reviews

The photos on this calendar are okay, but I think that the makers of this calendar could have done a better job of choosing the photos that were used in this calendar. The photos that were chosen for this calendar look more like photos taken for, and used in actors individual portfolio photo albums than they are for representing scenic, intriguing, and exciting segments of the Avengers television series scenes from that 1960's TV series. The calendar and its photos are okay overall, but not very scenic or impressive in representing entertaining scenes from that TV show.

I had tried to view what the pages (months) looked like before I purchased. If I had seen them I wouldn't have bought this calendar. This was a great show which is poorly represented by the picture choices. Really wished they had used better scenes from the show. This had more of a "pin up" look like you would find in a garage.

I collect all of The Avengers calendars. 12 months of great pictures to look at all year, I love TARA KING. Thanks, Jorge

Nice calendar. I wish it had more of Diana Rigg as Emma Peel in most of the months. I would recommend this product to any BBC Avengers fan.

The quality of the calendar is great. The quick turn around time with , will make me continue to use them to purchase other items.
